SUPPLEMENTAL INFORMATION
DISCLOSURE STATEMENT

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. 1.56, 1.97 and 1.98, the Applicant requests consideration of the attached additional items of information.

The Applicant hereby makes of record in the above-identified application the information listed on the attached form PTO/SB/08A. These documents were attached to a prior Supplemental Information Disclosure Statement filed February 17, 2010, but were inadvertently not included in the form PTO/SB/08A filed with the February 17, 2010 Supplemental Information Disclosure Statement. The documents in this Information Disclosure Statement were either cited in foreign prosecutions, or received more than three months before the filing of this Supplemental Information Disclosure Statement.

Applicant respectfully requests that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;
2. The enclosed form PTO/SB/08A be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;

3. The citations for the information be printed on any patent which issues from this application;

4. Applicant has included with this Supplemental Information Disclosure Statement summaries of application prosecutions from foreign countries of cases related to this U.S. application in an effort to present to the Examiner all information of which Applicant is aware which may be material to the Examiner's decision. These documents are referenced as Attachments 1-7 and relate to the sister prosecutions in Japan, Europe, Canada, Mexico, Indonesia, Australia, and New Zealand. Examiner is requested to review these materials. In addition, the prior Supplemental Information Disclosure Statement filed on February 17, 2010 did not include all of the English translations for application prosecution summaries for Japanese Application Nos. 2003-567755 and 2003-592245. Applicant has included remaining English translations for these Japanese application prosecution summaries in the instant Supplemental Information Disclosure Statement as Item 20, as listed in the attached PTO/SB/08A.

By submitting this Supplemental Information Disclosure Statement, the Applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Supplemental Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

By submitting this Supplemental Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. 102.

Notwithstanding any statements by the Applicant, the Examiner is urged to form his own conclusions regarding the relevance of the cited information.

The Director is hereby authorized to charge the \$180 Supplemental Disclosure Statement fee and any other fees which may be required, or credit any overpayment to Deposit Account No. 09-0528.

An early and favorable action is hereby requested.

Respectfully submitted,
